## - Official Letter of Support -

Date: 14 October 2014

SENDER: Mr. Byung Hun JUN, the President of International e-Sports Federation (IeSF)

RECIPIENT: Mr. Loghman SHAVARANI, the President of Iran Electronic Sports Association

We hope for eternal prosperous development of your esteemed Association and Country.

We, as the international governing body for e-sports, strive to promote e-sports as an official sport globally. We have noticed and acknowledged all efforts of Iran Electronic Sports Association for past 8 years dedicated to development of e-Sports in Iran. Also, we would like to state that, as the respectful member of IeSF in good standing, Iran Electronic Sports Association has huge significance and importance for IeSF since Iran is the very first country being member of IeSF with political and diplomatic significance among West Asian Countries.

In this regard, the IeSF would like to hereby confirm that current movement of Iran Electronic Sports Association to create Asian e-Sports Confederation is in line with the mission of IeSF to promote and develop e-Sports in Asian region as well as in West Asian region, and will fully support such movement by all means.

We would like to ask Iran Electronic Sports Association to establish Asian e-Sports Confederation with respect to the criteria of establishing such continental organization stipulated in IeSF Statutes as well as with the consensus of other Asian Members of IeSF. Also, we would like to courteously ask any organization or person who may become the subject of this movement to cooperate with Iran Electronic Sports Association for the successful establishment of Asian e-Sports Confederation and developing unique culture of e-Sports in such region.

Should you have any further request or question, we will be more than happy to correspond with full disposal.

Thank you.

Yours sincerely,

International e-Sports Federation, President,

Byung Hun JUN
